(For a complete fitness schedule, please call, stop in, or find us on the web at www.wcymca.com)

Ener Chi: This class involves a series of movements performed in a slow focused manner, accompanied by deep breathing. It is low impact and puts minimal stress on muscles and joints

Enhance Fitness: Focus on dynamic cardiovascular exercise, strength training, balance, and flexibility—everything older adults need to maintain health and function as they age. Free to those with chronic illness.

Silver Sneakers: Have fun and move to the music with exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a ball are offered for resistance. A chair is used for seated or standing support.

Chair Yoga: Yoga will move your whole body through a complete series of yoga poses. Chair support allows participants to safely perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement.
