## A BRAND NEW way to communicate and keep up with the latest news, announcements and important reminders from the YMCA

STEP BY STEP, we will help you set up with remind alerts and notifications! Whether, you want to receive **text message alerts**, **emails** or **both**! This is a very easy way to keep in contact with us here at the Y!

**\*\*If you have trouble sending your message to 81010, then try sending message to (325) 603-0902 \*\***

•We will send you messages related to schedule changes, program updates and special events. These will only be one-way messages that you cannot reply to. At anytime you can opt-out of the remind messaging program.

•If you would rather not receive text messages, but would prefer emails that's fine with us too! Please fill out your information below and we will personally contact you via email!
