It is designed to bring kids into the game by adapting equipment, court dimensions, and the scoring to the age and size of children - just like other youth sports do. QuickStart Tennis enables kids to have more enjoyable experiences early on in the learning process - and having fun is the number one factor in keeping kids involved. The program involves practicing skills and drills for approximately half of each session, then playing games for the remaining time. This may change depending on how quickly the children pick up skills and concepts of the game. We will have 2-3 courts set up.
- **CANCELLATION POLICY:** If there is severe weather in the area, or the possibility of severe weather, the Y may decide to cancel classes. We will attempt to call participants for cancellations, however, call 570-253-2083 if you are uncertain. Credit slips will be issued for classes missed for this purpose only.
